

America's Most Talented Dog to Visit

Toula, proclaimed by Petco to be America's Most Talented Dog, will be making her local debut at Ransom Library on Saturday, October 27, 1 p.m. She will be signing "paw-tographs" and Christine Mahaney, Toula's human, will guide Toula as she demonstrates the award-winning performance that earned her the crown. Don't miss the opportunity to have your photograph taken on the red carpet with Plainwell's most famous canine!
